

Camp Fire Guidelines and Declaration

Camp fires are permitted at Brooms Head, Minnie Water and Iluka Riverside Holiday Parks only under the following conditions –

1. Approval must be given by the Park Manager before lighting of any fire.
2. All fires must be within a raised contained fire pit or raised steel brazier a min. 300mm off the ground.
3. If using a brazier, must have a ground plate to catch coals and debris.
4. Fires may only be lit during low season from 1 May to 31 August each year and any local variations to the bush fire danger period or total fire bans being in place. No fires permitted in busy or peak periods.
5. Fires are not permitted in windy conditions and all fires must be extinguished if the wind picks up.
6. As a courtesy check with your neighbour to see if its ok to light a fire and be well clear and be a reasonable distance (min. 4m radius) of campers and vans, annexes and structures.
7. Customers must supply their own wood – no petrol or diesel for lighting fires.
8. No burning of rubbish or plastics in the fire pit.
9. Removing or damaging vegetation from trees or plants at the park or adjacent reserves is prohibited and will result in campers being expelled from the park and no further fire use permitted.
10. No large fires or fires on the beach are permitted.
11. The fire pit must be extinguished before retiring or going to bed.
12. No dumping of hot coals onto the reserve or within plastic mobile garbage bins.
13. The Park will not be responsible for loss, stolen or damaged fire pits.
14. The person signing this form must be over 21 years of age, is the responsible person for the fire pit and short term site and will be held accountable for complying with these conditions.
